THE ONLY THING HE EVER PURCHASED

Kyla Rowland / Steve Hurte / My Abby Publishing / BMI

Verse 1

He did not buy or trade; No record was made
Where Jesus ever bought one earthly thing
There's a record somewhere with my name written there
And it proves I was purchased by a King

Chorus

And blood was the price Jesus paid for me
What a transaction that day on Calvary
I was so valuable to Him; He paid the debt for all my sin
The only thing He ever purchased was me

Verse 2

He borrowed everything He used; a lowly manger then a tomb
But what He bought, it still amazes me
It had to be pure holy love that Jesus paid with His own blood
When He laid down His life to purchase me
