JUST WAIT

J. Brian Edwards

Verse 1

You don't know where to turn; you don't know what to do
The storm is so great you know you'll never make it through
But Jesus knows where you are and He's never too far
He promised He won't be late; just wait

Chorus

Just wait for His word to be fulfilled and wait for His promises to be revealed
Though His presence seems delayed, help is on its way
Stand still in faith though you'll want to move in haste
He promised He'll not be late; just wait

Verse 2

When green fields seems barren land, refuge seems desert sand
When the cares of life prevail, all my strength seems faint and frail
God's word is to be still and know He is real
With a still small voice He says, "Just Wait"
