BECAUSE OF THE HILL

J. Brian Edwards

Verse 1

Father, if it is possible, please deliver me
These are the words our Savior prayed facing dark Calvary
Yet He pressed onward, His Father's will to fulfill
And when I'm down in the valley, I think of the hill

Chorus

I can make it through this valley because of the hill
And my present sufferings are only until
I walk through gates of pearl; Heaven's beauty revealed
I can make it through this valley because of the hill

Verse 2

Many are the trials I must face
So I'll keep depending on God's sufficient grace
He's been there in my valleys; His presence is so real
He says you can make it because of the hill
